## **SSI Broker continues to receive a grand prize from Alpha Southeast Asia**

**Hanoi, 05 JUN 2015** – Starting the last month of 2<sup>nd</sup> Quarter, Saigon Securities Inc. (SSI) officially receives a notification from Alpha Southeast Asia, one of the leading prestigious financial magazine in Southeast Asia, about achieving "Best Institutional Broker 2015" award. It is the second time within five years that SSI receives this honor.

Besides individual brokerage activities which have breakthrough development, institutional brokerage activities by SSI always affirms the position of the best securities services not only in domestic market but also in the Southeast Asia region. With continuous investment and development of professional brokerage team, qualitative and quantitative improvement in the service options provided to customers - and a strategic, efficient approach in developing new customers and expanding relationships with referral partners - the Securities Services of SSI achieved strong growth in brokerage market share. SSI has maintained the No. 1 position of market share on HOSE, and ranked No. 1 on the HNX, No.1 on the UPCOM. Additionally, the brokerage market share of foreign customers continues to lead the market, with nearly 32% overall market share.

SSI also has financial products which are interested particularly by customers and are recognized with excellent quality and services. In 2014, SSI continued to be the leading distribution agent of open-end fund on the market with revenue of over VND138 billion.

Also in the first two quarters of 2015, SSI continuously received awards from prestigious financial institutions include: "Fund Management Company of the Year" from The Asset; "Best Broker" and "Best ECM House" from FinanceAsia; "Top 50 Best Listed Company" from Forbes Vietnam.
