

**Nh p C u u T Magazine lists SSI in
“Top 50 most effective businesses in Viet Nam”**

Hanoi, 22 JUN 2015 – In the 4th year Nh p C u u T Magazine publishes "Top 50 most effective businesses in Viet Nam", companies which are present in the ranking all have outstanding business results and catch up with the trends in their own sectors in the context that Vietnam economy is gradually recovering and deeply integrating into the world economy.

Net profit from business operations reached 859.9 billion VND, increased 162% over the previous year. SSI officially returned to No. 1 in HOSE, ranked No. 1 in HNX and UPCOM. Overall on 3 trading floors, SSI's market share was at top, though, facing pressure from currency market because of the continuous decline of interest rates,

SSI also has financial products which are interested particularly by customers and are recognized with excellent quality and services. The company ensures to operate capital business, to respond fully and timely the demand for margin financing business of Investors.

Also in the first two quarters of 2015, SSI continuously received awards from prestigious financial institutions include: "Fund Management Company of the Year" from The Asset; "Best Broker" and "Best ECM House" from FinanceAsia; "Top 50 Best Listed Company" from Forbes Vietnam; and “Best Institutional Broker” from Alpha Southeast Asia
