DISCLAIMER

Investors should carefully read the Prospectus, Fund Charter and relevant documents before making investment decisions and pay attention to fees when trading fund certificates.

Please update us as soon as possible on any change of the Investor's information in the Part A of the Investor Profile provided to SSIAM.

Fund certificates are not certificates of deposits, negotiable instruments or valuable papers as prescribed in the banking sector, fixed income assets or guaranteed investment income assets.

The price of fund certificates may fluctuate according to market movements and investors may incur losses on their initial investment given unfavorable market conditions. This document should not be used for the purpose of accounting and tax recording or to make investment decisions. Please note that the past performance of investments is not necessarily indicative of future performance. The NAV per unit and the Fund's income can increase or decrease and could not be guaranteed by SSIAM. Investors should do their own research and/or consult experts' advices to make appropriate investment decisions.
